GAIA STYLE RY
A RELAXED AMBIENCE

COSINESS, TASTE, DESIGN: RENEW THE PLEASURE OF BEING TOGETHER

Today, a friendly atmosphere at the workplace is enhanced by the cosiest moments: a few people, cups in hand, the pleasure of relaxing and sharing a moment together.

Gaia Style Ry renews the pleasure of good company at the office, store or studio: a design element that makes the setting more pleasant, a menu with many possible options providing all the freedom of choice that you could ever want.

GAIA STYLE RY TOUCH 7"
+ FRESH MILK MODULE
(optional)

01 SMALL SIZE, GREAT POTENTIAL

Set up a cosy coffee corner that offers great potential. Gaia Style Ry can hold up to 2.3 kg of coffee and can make from 20 to 60 cups per day. It has an extensive, varied menu of beverages by means of two containers for soluble products and the possibility of choosing the ESV version with variable-chamber coffee brewer which enables you to add all the coffee specialities to your range: espresso, long, Americano and many others.

☰ With such a wide menu, there are more opportunities for use, and you can offer a wider range of prices.

♡ Hospitality means catering to different habits: not just cups, with Gaia Style Ry, glasses and mugs can also be used.

- ES version with traditional espresso coffee brewer: espresso coffee made according to Italian tradition.
- ESV version with variable chamber coffee brewer: doses from 8 to 13 g. It guarantees perfectly-brewed coffee in all its tasty variants.
- Product layout with a hopper for 1.3 kg of coffee beans, and two containers for soluble products.

02 THIS COFFEE CORNER IS SO COSY!

Put consumers at ease with the interaction offered by Gaia Style Ry: the touch menu guides customers and accompanies him in the choice of own drink.

☰ Your customers will get more pleasure if they can enjoy of a varied offer.

♡ The break is more relax when you can choose with taste and simplicity.

- Choice of 2 intuitive interfaces:
Easy: backlit keypad with 8 selections buttons and a personalisable 3.5" LCD TFT colour display.
Touch: 7" touchscreen display with an intuitive, easily personalised menu. It offers an effective space for communications that can display videos and product information.

03 FRESH MILK FOR IRRRESISTIBLE BEVERAGES

More than what you would expect: with the Fresh Milk module, you can give the Gaia Style Ry menu extra quality and choice, enabling your customers to make cappuccino and many other delectable beverages in an instant.

☰ Your range becomes even more tempting: beverages with milk include some of the products that consumers love most of all.

♡ The Fresh Milk module improves the handling of this ingredient. The result? Creamy beverages that people adore.

- 4-litre refrigerator to keep the milk in perfect conditions.
- Automatic rinsing.
- Daily manual cleaning with guided procedure on the Touch version.
- Cup holder with cup-warming option: cup storage space 135 mm in height, with room for about 20 cups.
- Only compatible with the coffee beans versions.

• Size: L 30 x H 63 x D 45 cm

04 HYGIENE IN JUST A FEW SECONDS: SAFETY AND... RELAXATION

A machine that is continuously hygienised offers a guarantee that many consumers expect in today's world. With Gaia Style Ry, it takes just a few seconds to meet their demands, and yours as well: programming the washing cycles, and easy access that facilitates cleaning operations.

☰ Quick machine cleaning? This also improves productivity: just a touch, and it is ready to dispense the next coffee.

♡ A safe break is a break that keeps people smiling: because peace of mind is essential for total enjoyment.
